We really need your volunteer support, so please plan to honor your volunteer commitment even if the location changes.

Description: Breakdown volunteers ensure the second half of competition day is smooth. Snowshoe competition is estimated to finish around 4pm. Before competition is finished, breakdown volunteers will check in with Venue Captains to see if any sport roles need assistance or venue roles such as refilling water stations. Once the races are complete, assist with breaking down the start/finish line trellis, clean up the venue and ensure equipment is placed in proper location for pickup.
