Handicap Tournament Rules

Handicapping is a means of placing bowlers and teams with varying degrees of skill levels on as equitable basis as possible for their competition against each other. In Special Olympics the handicap is normally based on 100 percent of the difference of the bowler's average and 200.

Example: **Player 1's** average is **150** and **Player 2's** average is **100**, **Player 2** would receive a handicap of **100** i.e. **100** pins per game handicap to be added to their score. Player 1's handicap would be **50** i.e. **50** pins per game handicap to be added to their score. Athletes can then be grouped for competition.

COMPETITION FORMAT/AWARDS

Each bowler will bowl two games in both singles and team competition. At the completion of both games , scores will be totaled and awards will be presented at the awards podium

Each division will consist of no more than five athletes

All events will be run according to the Official Special Olympics Sports Rules, Revised 2022. [Bowling Rules](#)

COACHING

Coaches are **NOT** allowed in the pit area, and may give verbal prompts to their athletes only when they are off the lanes. Volunteers to assist ramp bowlers will be instructed to act only on the athletes' instructions when moving the ramp.

EQUIPMENT

Athletes are encouraged to bring their own equipment (i.e. balls, shoes, white soles tennis shoes and/or ramp) since they have trained and are most familiar with it. Shoes and balls will be available at the bowling center.

ATTIRE

Athletes should be appropriately attired for competition and arrive at the bowling center dressed for competition.

Appropriate attire for bowling includes casual dress of loose fitting clothing that will not restrict the athletes' movement. Jeans are not considered appropriate bowling attire and will be disallowed. **Athletes in jeans of any color will not be allowed to bowl.**

Please arrive with athletes dressed in competition attire **(no jeans of any color or shorts)**, as there are limited places to change at the Bowling Center. SONY rules state that all athletes must wear appropriate attire for bowling. A bowling uniform **WILL** consist of khakis and/or dress pants and a collared shirt. If you have difficulty with said uniform, please contact Lindsey Coyle and she will provide assistance. lcoble@nyso.org or (212) 682-8060.
