When will we receive the full schedule of events?

Training clubs competing will receive their schedule of events from Sport Directors on the day of the event.

Who will my athletes compete against?

All athletes will be divisioned based upon entry times, distances, or scores listed on their team's competition registration form to ensure they compete against athletes of similar ability.

Please put the correct times, distances, and/or scores on the competition registration form. The Games Management Team, in conjunction with sport officials, have the right to disqualify athletes if their final times, distances, and/or scores on competition day are significantly greater than their entry times, distances, and/or scores, in accordance with [Special Olympics Sports Rules Article 1](#).

Competition Guidelines and Attire

Athletes must wear appropriate clothing to train and compete successfully. Inappropriate clothing can impact an athlete's ability to run and, in some cases, may be a safety hazard.

All participants should wear a shirt with a butterfly-type collar (polo shirt) and casual slacks or trousers. Women may wear Capri pants provided the length is below the knees. Golf-style shorts are also acceptable.

Bowlers are not permitted to wear hats, sweats, basketball/gym shorts, skirts, skorts, culottes, or zupas (pants with elastic cuffs). If you are wearing any of these items, you will be asked to change into more appropriate attire.

All teams should dress in matching shirts. All apparel must be neat, clean, and in good condition.

NO JEANS/DENIM WILL BE PERMITTED.

What paperwork do athletes need to compete?

All athletes must have current athlete paperwork on file with the office to compete. All athlete paperwork should be submitted to the Regional Program Team (see page 16).

This paperwork includes:

1. Athlete Registration Form
2. Athlete Release Form
3. Athlete Medical Form*
4. Communicable Disease Waiver

*Please note that the Athlete Medical Form must be signed a licensed medical professional. The athlete does not need a new physical (the doctor can use the information from the most recent well visit), but it does have to be on our paperwork with the date of the exam.

When does athlete paperwork expire?

An athlete's medical form expires after 3 years from the date of the exam.

Otherwise, **athlete paperwork does not expire**. Other forms do not need to be re-submitted every year unless the athlete's personal information has changed.

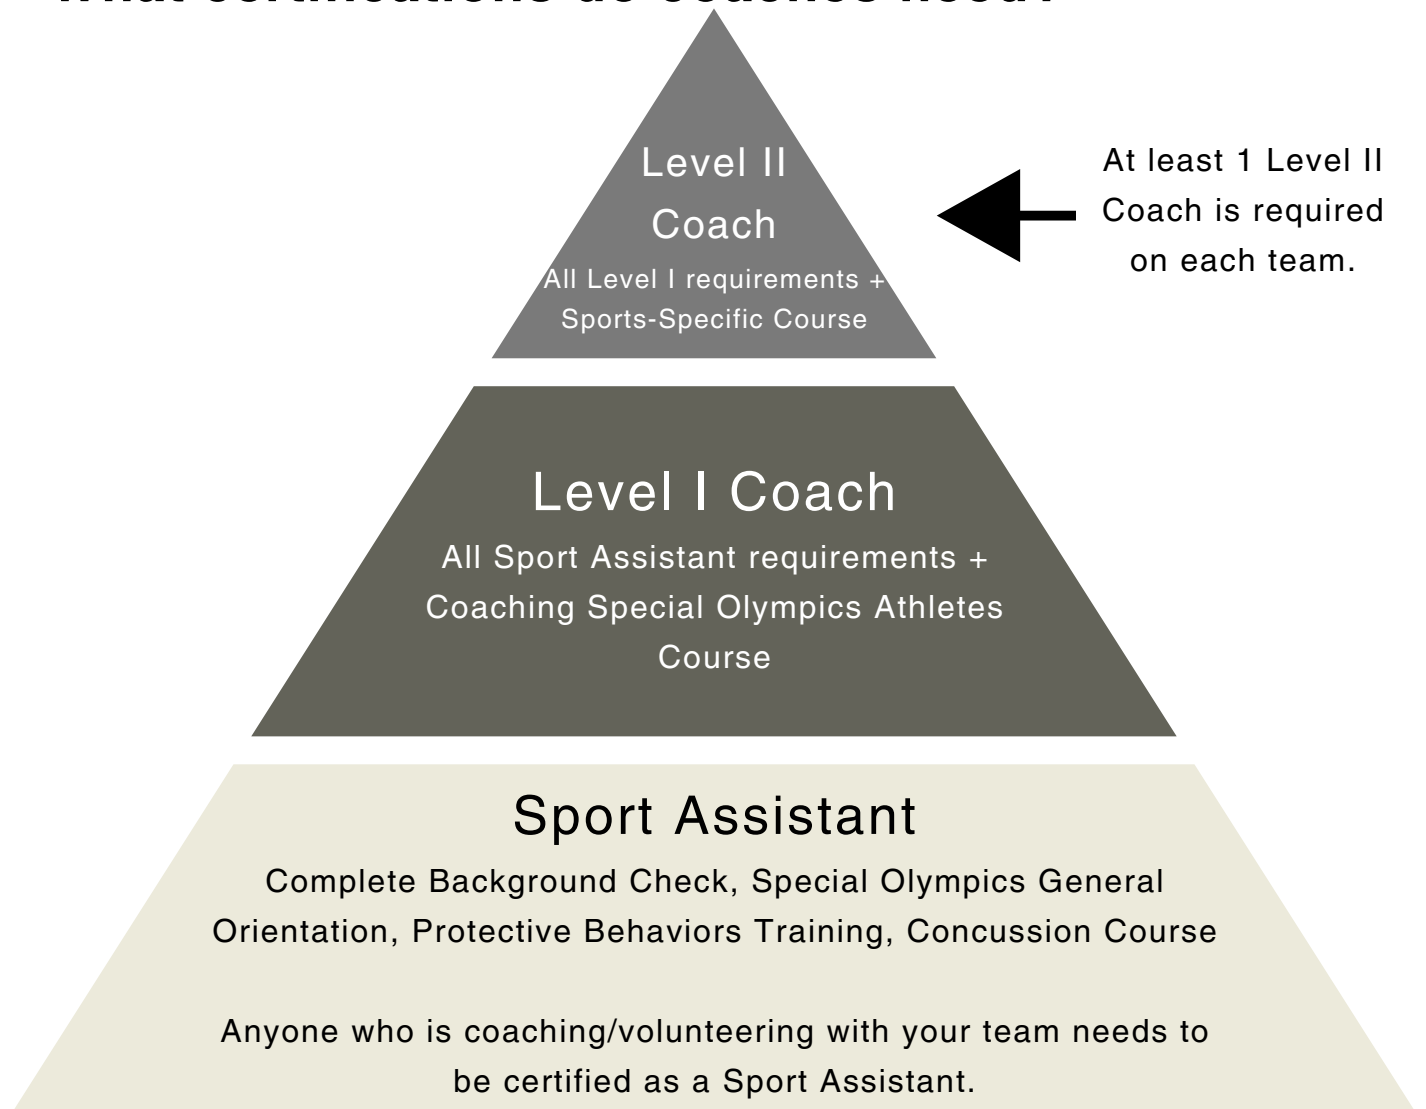

How many coaches do I need on my team?

There is no maximum number of coaches a team can have. However, you must keep a 1:4 ratio of coaches to athletes.

Anyone who is coaching or volunteering with your team must be certified as a Sport Assistant or higher (see diagram below).

At least one person per team must be certified as a Level II Coach and is considered the head coach of the team. There is no limit to the number of Level II coaches on a team.

What certifications do coaches need?

How do I obtain these coach certifications?

All Sport Assistant and Level I Coach certifications can be obtained entirely online through our Coach Education Portal. The Regional Program Team (see page 16) can provide you with the appropriate link.

The Level II Sports-Specific Course varies. Please contact your Regional Program Team for details.

When do coach certifications expire?

The Background Check, Protective Behaviors Training, Concussion Course, and Sports-Specific Course expire 3 years after the date on which they were completed.

All other courses do not expire.

How do I know what athletes or coaches on my team need new paperwork or certifications?

The Regional Program Team will create a report called an **Errors and Exceptions** that shows exactly which athletes and coaches have expired paperwork and/or certifications.

To receive an Errors and Exceptions for your team, please submit a roster of all your athletes and coaches to your Regional Program Team. We will use that roster to create an Errors and Exceptions, which we will send to you that describes exactly who needs updated paperwork or renewed certifications.

The earlier in the season you can send us your roster, the sooner you will receive an Errors and Exceptions.

Can I get equipment for my team from Special Olympics New York?

Yes! Pending our budget, we can provide equipment to teams that need it for training purposes. To request equipment, please contact the Regional Program Team (see page 16).

Does Special Olympics New York provide transportation to the Long Island Region Bowling Competition?

Yes! Pending our budget, we can provide transportation to athletes and coaches via a bus. We cannot provide transportation to parents or siblings of athletes or other non-certified school staff.

If you would like to request transportation to the Long Island Region Bowling Competition, please complete a transportation request form, which can be found on the [website](#), and submit to the Downstate Competition Team (see page 16). **Please be aware that you will most likely be riding with another team.**

Are there other Special Olympics competitions besides the Long Island Region Bowling Competition to compete in?

Yes! There are other competitions throughout the year.

All unexpired athlete paperwork applies to other competitions. The only new form needed for a regional or super-regional competition is a registration form for that specific competition.

We also offer competitions in other sports during our fall and winter seasons. To view our calendar of events, please visit [our website](#).

Can my company or organization support the Long Island Bowling Bowling Competition and/or Special Olympics New York?

Yes! We offer various opportunities to sponsor or become vendors at our signature events, including the Long Island Region Bowling Competition. We anticipate approximately 70 athletes, 20 coaches, and 20 volunteers in attendance, which cannot happen without the support of our Long Island community. We hope to see you there!

For more information on sponsorship, donations, or how to become a vendor, please contact the Development Team (see page 16).
